SHANDAR MARBLE INDUSTRIES

ABOUT US

Crafting Elegance from Earth's Core since 1988. In a world where architectural beauty and design elegance are paramount, Shandar Marble Industries stands as a testament to the timeless allure of Earth's most exquisite materials. With unwavering dedication to quality, precision, and craftsmanship, we have transformed raw slabs of marble and granite into breathtaking works of art that adorn homes, commercial spaces, and landmarks worldwide.

Today, we are the exporters of Granite, Marble and marble sculptures with Export Oriented Unit, and presence in three continents. We have gained global leadership in the market with state of the art equipment that is imported from Italy and Germany.

Shandar Marble has created world-class infrastructure by commissioning fully automatic machinery such as Multi-head Line Polishing Machines, Multi-blade Block Cutters, High-definition slab image scanners, flaming, sand blasting, leather finishing etc. These equipment have been sourced from leading manufacturers from around the world. What's more, we have a dedicated team of professionals with a rich and varied experience and industry expertise.

Our organization has been founded on the strong principles of quality, integrity and transparency. These inherent values have been our guiding lights on our road to excellence and global leadership. Our commitment to delivering the best has been reinforced by accolades and awards from the industry — winning the Best Customer award from Banks, Award for Distinguished Growth from the Govt. of India, Award from All India Granite Association, and from various prestigious bodies.
